

Innovating from Discovery to Delivery

Detailed Schedule: 21st Century Perspectives

September 30 – November 4

All sessions are live, virtual learning experiences

September 30, 2020

4:00-4:30 *iD2D Program Design and Vision*

Elliott Antman and Cheryl D. Vaughan

Session objectives:

- Explore the unique features of the iD2D Program
- Discuss how the program design supports the vision

4:30-5:00 *The Innovation Imperative*

Calum MacRae

Session objectives:

- Examine innovation cycles in other industries
- Discuss factors that influence innovation in biomedical industries
- Describe how technology is driving the rapid evolution of patient care

5:00-5:30 *Structured Networking*

Making Connections Across D2D

October 7, 2020

4:00-5:00 *Balancing Innovation & Tradition*

Joseph Loscalzo

Session objectives:

- Explore four examples of traditions along the D2D continuum
- Discuss apparent barriers to innovation in each example
- Create a strategy for innovating within the existing context

5:00-5:30 *Structured Networking*

Sharing stories: Discuss traditions in your field and the barriers to innovation

October 14, 2020

4:00-5:00 *Generating and Sustaining Convergence for D2D Innovation*

Amy C. Edmondson

Session objectives:

- Describe hallmarks of successful convergence (outcomes, behaviors, processes)
- Compare urgent teaming and long-term teaming
- Engage in collaborative decision-making

5:00-5:30 *Structured Networking*

Deepening connections: Practice joint problem-solving

October 21, 2020

4:00-5:00 Panel Discussion: *Challenges for Urgent Innovation*

Moderator: Elliott Antman

Panelists: Sally Okun
Rochelle Walensky
Rick Pesano
George Mensah

5:00-5:30 *Structured Networking*

What are your new challenges and how have you met them?

November 4, 2020

4:00-5:00

Panel Discussion: *De-Risking Innovation: Guardrails and Parachutes*

Moderator: Sunil Kapur

Panelists: Rahul Deo
Ilsa Webeck
Bill Maisel
Michelle Mello

5:00-5:30 *Structured Networking*

What is your perspective on the risks of innovation?
